

AMENDMENT

IN THE CLAIMS

Please amend the claims as indicated in Appendix A submitted herewith according to the proposed revision to 37 C.F.R. § 1.121 concerning a manner for making claim amendments.

REMARKS

Claims 1, 3, 5-6, 8 and 10-19 are presently pending in the captioned application with claims 1, 3, 5-6 and 8 previously added and claims 10-19 newly added.

An in-person Interview was conducted with the Examiner on June 23, 2003, wherein a video presentation on CD-ROM demonstrating the use of the presently claimed invention as a model of a cataract for surgical training purposes was presented to the Examiner. An electronic copy of the video presentation was given to the Examiner during the Interview.

A second telephonic Interview was conducted with the Examiner on July 18, 2003, wherein the Examiner stated that adding the limitations discussed at the top of page 4 into the claims may overcome the pending rejections. Moreover, the Examiner suggested adding the limitations of emptying the lens
